FELICITATION CEREMONY

"FELICITATE THE SMALL INITIATIVE. INITIATIVE IS THE INTENTION THAT PERSISTS IN A PERSON."

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.

It was an honour itself to honour our respected President *Mr. Aditya Himatsingka*, our academic advisor *Mrs. Tapati Singhi*, *Mr. Dinesh Maheshka*, *Mr. Rajeev Kant Mishra*, *Mr. Chinnaraj* and other dignitaries who took out their valuable time to be a part of this auspicious ceremony. The program was a grand success with the help of all the teaching and the non-teaching staff under the guidance of our Principal, *Mr. Subhodip Dey* who spent every hour behind it making sure that the programme went as per the plan.

"A person who feels appreciated will always do more than is expected."

FELICITATION IS INSPIRATION TO OTHERS AND MOTIVATION TO WHOM WE ARE FELICITATING.

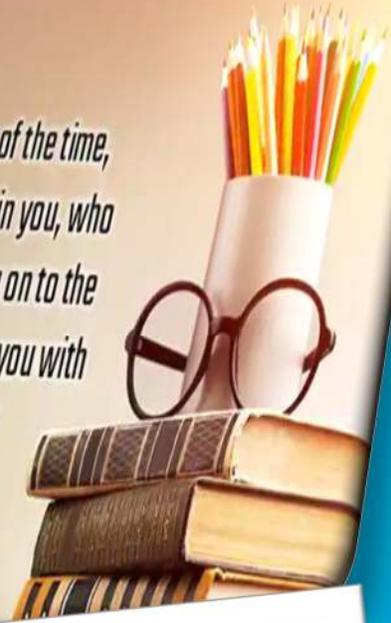

“Life is a celebration, so celebrate every moment of it.”

The best teacher doesn't give you the answer, they spark within you the desire to find the answer yourself. Every words of appreciation for them would be less. They are the ones who give you the wings to fly and guide you to soar up higher in the sky.

Students had organized a programme for the same which included various dance performances, drama, role-play, songs just to name a few. The programme was a grand success showcasing the efforts of the students and all the others involved under the guidance of our Principal, **Mr. Subhodip Dey**.

“The dream begins, most of the time, with a teacher who believes in you, who tugs and pushes and leads you on to the next plateau, sometimes poking you with a sharp stick called truth.”

- Dan Rather

***“ If you’ re brave enough to say
goodbye, life will reward you
with a new hello”***

Every new beginning comes from some other beginnings end. We bid farewell to the best one among us, fully conscious of his greatness. He is a man of his words who led his entire life for his students by living a simple life and high thinking. Sanskrit would be impossible to understand without his efforts. His efforts cannot be ignored for he lived for his service throughout his life. We wish him all the best for his life ahead and wish him all the goodness in his life.

***“let us not say goodbye, but
thank you instead. It is no doubt
appropriate keeping in mind the
time we spent together”***

***It is sad, but moving on with
the rest of your life, starts
with a goodbye.....***

***“ALL THE DARKNESS IN THE WORLD CANNOT
EXTINGUISH THE LIGHT OF A SINGLE
CANDLE”***

The flame of the diya, or lamp, reminds, us that light will ultimately triumph over darkness.

Darkness is just the absence of light. Hope that the lights of Diwali be present in your life so that you will be able to escape the deceitful darkness of this deceitful life.
